Design Intern

Spring 2020 Internship - Columbus, OH

Job Post: September 17, 2019

Ikove Partners, headquartered in Columbus, OH, is a startup studio that is aligned with multiple US research institutions and pursues early-stage investments with emphasis on technology.

Through its "Startup Nursery", Ikove identifies and validates developing high-impact technologies, providing capital and commercialization resources to bridge the development gap between R&D funding and VC-funded rounds.

Ikove forms high caliber Launch Teams to navigate the complex and difficult path to market faced by technology startups, with the underlying goal of solidifying robust revenue streams and customer bases.

Ikove has partners and directors in New York, Silicon Valley, Chicago, London, Monaco, Rio de Janeiro and Shanghai.

Primary Responsibilities (*Ikove and its portfolio companies*)

- Branding and re-branding
- Creating brand standards for the above
- Design and re-design of presentations/marketing materials
- Social media management
- Public relations assistance
- Design of websites, marketing material, packaging, etc.

In addition to the duties that were outlined above you shall perform such other duties as are customarily associated with the position and as your supervisor or company management may from time to time require.

Desired Qualifications

The design intern candidate should be enrolled in a design program and have an interest in technology startup. We expect candidates to be to work in partnership in a fast-paced environment and manage multiple projects with great attention to detail. They should also be well versed in using adobe applications especially photoshop, Illustrator and Indesign.

To indicate your interest in this position, please send your resume and a website link or portfolio samples.
